

Open Enrollment Training 2022 Schedule

Increase profitability & tighten process quality

PID Tuning & Advanced Process Control Techniques

Learn how to tune PID controllers and apply advanced process control techniques at our hands-on, instructor-led training. Our modular courses let you take the training that best meets your needs. We offer virtual and in-person class formats.

Date	Location	PID Controller Tuning (1 Day)	Advanced Process Control (1 Day)	Model-based Control (1 Day)	Power Gen & Boiler Tuning (2 Days)	
February 2022	Virtual	Feb. 8	Feb. 9		Feb. 10	Feb. 11
March 2022	Virtual	Mar. 22	Mar. 23	Mar. 24		
May 2022	Virtual	May 24	May 25	May 26		
June 2022	Virtual	Jun. 14	Jun. 15	Jun. 16		
July 2022	Virtual	Jul. 26	Jul. 27	Jul. 28		
August 2022	CLE, OH	Aug. 16	Aug. 17		Aug. 18	Aug. 19
October 2022	HOU, TX	Oct. 11	Oct. 12		Oct. 13	Oct. 14
December 2022	Virtual	Dec. 6	Dec. 7	Dec. 8		

Since 1985, ControlSoft has been a global provider of platform-independent process control software and engineered solutions. Our products and services have been sought by prominent companies in leading industries. By maintaining a focus on improving plant availability, production efficiency, operational safety and environmental compliance, we continue to deliver world-class control solutions for our customers.
